

Paying On Time

Hank Williams, Jr.

I'm sure that I won't be your first or your last
I'm sure I'm just one of many
You are the kind that would make a man ask
"Does she love me or this money?" But I'll pay whatever the cost
Tryin' to get back part of me that I've lost
I'll stand in line payin' on time for you I guess that it's true that most men are weak
They just can't make it alone
They like to be known by the women
They keep instead of one woman at home So, I'll pay whatever it takes
Tryin' to get back part of my younger days
Yeah, I'll stand in line payin' on time for you So, I'll pay whatever it takes
Tryin' to get back part of my yesterdays
I'll stand in line payin' on time for you
