Prove Me Wrong

QUARTERBACKS

You're the only girl
i kissed this year
and now it's june and
you're still herebut since the end of may
you've been drifting away
you've always felt so far
move away forget my name
in the summer you'll be gonebut you could prove me wrong
i don't want to be right this time
prove me wrong
i don't want to be right tonight
i know i always care too much
it's only been a couple of months
but i'm so scared you'll leave me here
having fun while i stay home
you won't care that i need you here
spend the winter all alone
