# Kiss Me

## Ed Sheeran

Settle down with me
Cover me up
Cuddle me in

Lie down with me
And hold me in your arms

And your heart's against my chest,
your lips pressed in my neck
I'm falling for your eyes,
but they don't know me yet
And with a feeling I'll forget,
I'm in love now

Kiss me like you wanna be loved
You wanna be loved
You wanna be loved
This feels like falling in love
Falling in love
We're falling in love

Settle down with me
And I'll be your safety
You'll be my lady

I was made to keep your body warm
But I'm cold as the wind blows
so hold me in your arms

Oh no
My heart's against your chest,
your lips pressed in my neck
I'm falling for your eyes,
but they don't know me yet
And with this feeling I'll forget,
I'm in love now

Kiss me like you wanna be loved
You wanna be loved
You wanna be loved

This feels like falling in love
Falling in love
We're falling in love

Yeah I've been feeling everything
From hate to love
From love to lust
From lust to truth
I guess that's how I know you
So I hold you close to help you give it up

So kiss me like you wanna be loved
You wanna be loved
You wanna be loved
This feels like falling in love
Falling in love
We're falling in love

Kiss me like you wanna be loved
You wanna be loved
You wanna be loved
This feels like falling in love
Falling in love
We're falling in love
