

Something So Strong

Crowded House

Love can make you weep
Can make you run for cover
Roots that spread so deep
Bring life to frozen groundSomething so strong could carry us away
Something so strong could carry us todayTurning in my sleep
Love can leave you cold
The taste of jealousy
Is like a lust for goldSomething so strong could carry us away
Something so strong could carry us todayI've been feeling so much older
Frame me and hang me on the wall
I've seen you fall into the same trap
This thing is happening to us all, yeahSomething so strong could carry us away
Something so strong could carry us today, yeahSomething so strong
Something so strong
Something so strong
Something so, so strong
