[Bruce Cockburn](#)

Here comes the soldiers one by one keeping peace for everyone in the rain or in the sun they march along together.

Hup! 234 Hup! 234 Hup! 234 Hup! Hup! 234 Hup! 23 we march along together. Here comes the soldiers two by two watching out for me and you they will know what just to do in any kind of weather. Hup! 234 Hup! 234 Hup!

234 Hup! Hup 234 Hup! 23 we march along together. Here comes the soldiers in a row marching two and marching through in the rain or in the snow we march along together. Hup! 234 Hup! 234 Hup! 234 Hup! Hup! 234
