Factz (feat. Yazz)

Empire Cast

[Bridge]
Quit the wave i'm just popping game
That's a kilo on the chain
Mention facts when you say my name
I want the money, y'all can have the fame
Cause at the bottom I ain't had a thing
Now it's flooded rollie with the diamond ring
Quit the wave i'm just popping game
Better mention facts when you say my name[Hook]
So I got rich that's on my daddy that's all facts
I got ten broads and they all bad yeah that's all facts
Twenty hitters and they all strapped yeah that's all facts
And we got work if you need it boy that's all facts
