# The Groove

## Donald D

So here it is again
Rape and pillage prudence to win the public vote
Someone tell me who will take the prize
And who takes the fall
So confused when you're lost in the groove
So confused when you're lost in the groove
And Delta comes again and her masks are shifting like a chameleon

Someone tell me why she breaks my fall and then breaks my heart
So confused when you're lost in the groove
So confused when you're lost in the groove
Wow
So confused when you're lost in the groove
So confused when you're lost in the groove
