

Rock the Boat

Aaliyah

Boy, you know you make me float
Boy, you really get me high
I feel like I'm on dope
'Cause you serve me on a regular
Boy we need to tie this rope
Before drifting me deeper
You're there now, hold me close
Boy, let's take this overboard now
I want you to
Rock the boat, rock the boat
Rock the boat, rock the boat
Work the middle, work the middle
Work the middle, work the middle
Change positions, new positions
New positions, new positions
Stroke it for me, stroke it for me
Stroke it for me, stroke it for me
Ooh, baby, I love your stroke
'Cause you, 'cause you get me to where I'm going
And sure you'll get my vote
'Cause I believe, I believe you know just what you doing now
Baby, now we can coast
Let's do it in a hurry
That's too slow
Go ahead and put that thing in over drive
I want you to
Rock the boat, rock the boat
Rock the boat, rock the boat
Work the middle, work the middle
Work the middle, work the middle
Change positions, new positions
New positions, new positions
Stroke it for me, stroke it for me
Stroke it for me, stroke it for me
I want you to
Rock the boat, rock the boat
Rock the boat, rock the boat
Work the middle, work the middle
Work the middle, work the middle
Change positions, new positions
New positions, new positions
Stroke it for me, stroke it for me
Stroke it for me, stroke it for me
Stroke it for me
Stroke it for me
Stroke it for me
Stroke it baby, stroke it baby
Work it baby, work it baby
Stroke it
There is something I want you to
I need you to use yourself
Like you never ever used it before

To explore my body
Until you reach the shore
You'll be calling, calling for more
Rock the boat, rock the boat
Rock the boat, rock the boat
Work the middle, work the middle
Work the middle, work the middle
Change positions, new positions
New positions, new positions
Stroke it for me, stroke it for me
Stroke it for me, stroke it for me
I want you to
Rock the boat, rock the boat
Rock the boat, rock the boat
Work the middle, work the middle
Work the middle, work the middle
Change positions, new positions
New positions, new positions
Stroke it for me, stroke it for me
Stroke it for me, stroke it for me
Rock the boat, rock the boat
Rock the boat, rock the boat
Work the middle, work the middle
Work the middle, work the middle
Change positions, new positions
New positions, new positions
Stroke it for me, stroke it for me
Stroke it for me, stroke it for me
Rock the boat, rock the boat
Rock the boat, rock the boat
