Cleanse the Seed

Grip Inc.

Vulgar, parasite
Endless quest for gain
Obsession turns to disease
Eats through to the bone
We must, purify, where we dwell
Sterilize
Deliberate, Intetions
Discolored and stained with greed
The vultures descent to feed
Merciless to the core
We must, purify, where we dwell
Sanitize
Enless quest for gain
Obsession turns to disease
Brings you down to your kneesWe must, purify, where we dwell
Sterilize
