

Cleanse the Seed

Grip Inc.

Vulgar, parasite
Endless quest for gain
Obsession turns to disease
Eats through to the bone
We must, purify, where we dwell
 Sterilize
 Deliberate, Intentions
 Discolored and stained with greed
 The vultures descent to feed
 Merciless to the core
We must, purify, where we dwell
 Sanitize
 Endless quest for gain
 Obsession turns to disease
Brings you down to your knees
We must, purify, where we dwell
 Sterilize
