Serious

Alice Cooper

When I look back at my time at the track
And I played and I played and I played and I
Was shooting the craps at the back of fat Jack's
Come on, fade me, Jake
I'm a Las Vegas dreamer, they took to the cleaners
A bath, what a bath, what a bath I'd take
A fish on a hook, I was rattled and shook 'cause I lost my stake
I took that serious
All of my life was a laugh and a joke
And a drink and a smoke
And then I passed out on the floor
Again and again and again and again and again
I'm a gambling fool with a roll and a cue
Wanna play, wanna play, wanna play with you
Put my ass on the line, rubbed my nose in the grime
And they picked me clean
The chance and the game drove old silky insane
What a pain, what a strain on my brain it was
A fish on a hook, I was rattled and shook 'cause I lost my stake
I took that serious
All of my life was a laugh and a joke
A drink and a smoke
And then I passed out on the floor
Again and again and again and again and again
Serious, it was serious, oh, so serious
Serious, it was serious, oh, so serious
All of my life was a laugh and a joke
A drink and a smoke
And then I passed out on the floor or a friend
Again and again and again and again and again
All of my life was a laugh and a joke
A drink, a smoke
And then I passed out on the floor
Again and again and again and again and again and again
And again and again and again and again and again
And again and again
