# Because the Night

## Bruce Springsteen & The E Street Band

Take me now baby here as I am
Pull me close try an understand
I work all day out in the hot sun
Stay with me now till the mornin' comes
Come on now try and understand
The way I feel when I'm in your hands
Take me now as the sun descends
They can't hurt you now
They can't hurt you now
They can't hurt you nowBecause the night belongs to lovers
Because the night belongs to us
Because the night belongs to lovers
Because the night belongs to usWhat I got I have earned
What I'm not I have learned
Desire and hunger is the fire I breathe
Just stay in my bed till the morning comes
Come on now try and understand
The way I feel when I'm in your hands
Take me now as the sun descends
They can't hurt you now
They can't hurt you now
They can't hurt you nowBecause the nightYour love is here and now
The vicious circle turns and burns without
Though I cannot live forgive me now
The time has come to take this moment and
They can't hurt you nowBecause the night
