Because the Night

Bruce Springsteen & The E Street Band

Take me now baby here as I am
Pull me close try an understand
I work all day out in the hot sun
Stay with me now till the mornin' comes
Come on now try and understand
The way I feel when I'm in your hands
Take me now as the sun descends
They can't hurt you now
They can't hurt you now

They can't hurt you nowBecause the night belongs to lovers

Because the night belongs to us

Because the night belongs to lovers

Because the night belongs to usWhat I got I have earned

What I'm not I have learned

Desire and hunger is the fire I breathe

Just stay in my bed till the morning comes

Come on now try and understand

The way I feel when I'm in your hands

Take me now as the sun descends

They can't hurt you now

They can't hurt you now

They can't hurt you nowBecause the nightYour love is here and now

The vicious circle turns and burns without

Though I cannot live forgive me now

The time has come to take this moment and

They can't hurt you nowBecause the night
