

# Conqueror (feat. Estelle & Jussie Smollett)

## Empire Cast

Life is like a big merry-go-round  
You're up and then down  
Going in circles tryin' to get to where you are  
Everybody's been cutting you out  
But where are they now?  
Sitting in the same old place  
Just faces in the crowd  
We all make mistakes  
You might fall on your face  
But you gotta get up! I'd rather stand tall  
Than live on my knees  
'Cause I'm a conqueror  
And I won't accept defeat  
Try telling me no  
One thing about me  
Is I'm a conqueror  
I am a conqueror  
Ooh oh Got a vision that no one else sees  
Lot of dirty work, roll up your sleeves  
Remember there's a war out there  
So come prepared to fight!  
You never know where the road leads ya  
Not everyone's gonna believe ya  
And even though they're wrong,  
Don't prove 'em right I'd rather stand tall  
Than live on my knees (Can't live on my knees)  
'Cause I'm a conqueror  
And I won't accept defeat  
Try telling me no  
One thing about me  
Is I'm a conqueror  
I am a conqueror  
Oh oh (Ooh ooh) I am a conqueror  
We all make mistakes  
You might fall on your face  
But you gotta get up!  
We all make mistakes  
You might fall on your face  
Don't ever give up! I'd rather stand tall  
Than live on my knees

'Cause I'm a conqueror  
And I won't accept defeat  
    Try telling me no  
    One thing about me  
    Is I am a conqueror  
    I am a conqueror  
Oh oh I am a conqueror, oh no We all make mistakes  
    You might fall on your face  
    But I am a conqueror
