

# For Emma

Lauren Elle

So abruptly, saw death on a sunny snow  
For every life, forgo the parable  
Seek the light, my knees are cold  
Running home, running home  
Running home, running home  
Go find another lover to bring a, to string along  
With all your lies, you're still very lovable  
I toured the land, so many foreign roads  
For Emma  
Forever ago
