Visions

Laconic

walking on the path i thought i wanted to be on
traveling towards the light trying to find
the way the life whatever it can bring me
but im lost im lostcreeping up on you
I've arrived but where am i going
step by step in your tracks
i will follow you downdo you see what i see
do you know what i know
can you feel me now
so far belowim not im not afraid
of what i don't know
creeping up on you ill meet you there
