

# Red Hill Mining Town

U2

From father to son, the blood runs thin  
Ooh, see faces frozen still against the wind  
The seam is split, the cold face cracked  
The lines are long, there's no going back  
Through hands of steel and heart of stone  
Our labor day has come and gone And you leave me holdin' on  
In Red Hill Town, see lights go down  
I'm hangin' on, you're all that's left to hold on to  
I'm still waiting, I'm hangin' on  
You're all that's left to hold on to The glass is cut, the bottle run dry  
Our love runs cold in the caverns of the night  
We're wounded by fear, injured in doubt  
I can lose myself, you, I can't live without Yeah, you keep me holdin' on  
In Red Hill Town, see the lights go down on  
I'm hangin' on, you're all that's left to hold on to  
I'm still waiting, hangin' on  
You're all that's left to hold on to, on to We'll scorch the earth, set fire to the sky  
We stoop so low, to reach so high  
A link is lost, the chain undone  
We wait all day for night to come  
And it comes like a hunted child I'm hangin' on  
you're all that's left to hold on to  
I'm still waiting, I'm hangin' on  
You're all that's left to hold on to Love, slowly stripped away  
Love, has seen its better day Hangin' on  
Let's go out on Red Hill  
Let's go down on Red Hill  
Let's go down on Red Hill Town  
Let's go down on Red Hill
