

# Fire Burning

Sean Kingston

Somebody call 911!  
Shawty fire burning on the dance floor, whoa  
(Fire burning, fire burning)  
What a gwaan!  
Kingston, let's go, hey!  
RedOne, hey, heyShawty got that super thing  
Hotter than the sun in the south in Spain  
Got me soon as I walked through the doorMy pocket started tickling  
The way she drop it low, that thang  
Got me wan' spend my money on her, herShe get it, pop it, lock it, drop it, that birthday cake  
Got a candle, need to blow that crazy flame away  
Now take my red, black card and my jewelry  
Shawty is cool like the fire, cool like fireSomebody call 911!  
Shawty fire burning on the dance floor, whoa  
I gotta cool her down  
She wan' bring the roof to ground  
On the dance floor, whoaShe's fire burning, fire burning on the dance floor  
That little shawty's fire burning on the dance floor  
She's fire burning, fire burning on the dance floor  
That little shawty's fire burning on the dance floor  
(Fire burning, fire burning)That body is a masterpiece  
The order is one in every hundred years  
But ain't no doubt I'm taking it home, homeI'm afraid we'll blow them legs  
Little mama game is about to change  
She'll be on covers over the worldShe get it, pop it, lock it, drop it, that birthday cake  
Got a candle, need to blow that crazy flame away  
Now take my red, black card and my jewelry  
Shawty is cool like the fire, cool like fireSomebody call 911!  
Shawty fire burning on the dance floor, whoa  
I gotta cool her down  
She wan' bring the roof to ground  
On the dance floor, whoaShe's fire burning, fire burning on the dance floor  
That little shawty's fire burning on the dance floor  
She's fire burning, fire burning on the dance floor  
That little shawty's fire burning on the dance floorShe got that fire in the dance  
That'll make them fellas run around, hey!  
No exit from the dance floor  
So them boys wan' more, hey!She got that fire in the dance  
That'll make them fellas run around

(Madem, get out my way, everybody, sing it now, hey!)

No exit from the dance floor

So them boys wan' more

(What a gwaan? Let's go! Madem, let's go, hey!)She get it, pop it, lock it, drop it, that birthday cake

Got a candle, need to blow that crazy flame away

Now take my red, black card and my jewelry

Shawty is cool like the fire, cool like fireSomebody call 911!

Shawty fire burning on the dance floor, whoa

I gotta cool her down

She wan' bring the roof to ground

On the dance floor, whoaShe's fire burning, fire burning on the dance floor

That little shawty's fire burning on the dance floor

She's fire burning, fire burning on the dance floor

That little shawty's fire burning on the dance floorSomebody call 911!
