

My Best Days Are Ahead Of Me

Danny Gokey

Blowing out the candles
On another birthday cake
Old enough to look back and laugh at my mistakes
Young enough to look at the future and like what I see
My best days are ahead of me Life hasn't always been a party
But mostly it's been good
There's only one or two things that I'd change if I could
I don't get lost in the past or get stuck in some sad memory yeah
My best days are ahead of me Age is nothing but a number
Sometimes I have to wonder
What does it really mean
But hey I'm still putting it together
I keep getting better
If I keep getting better
I can be whatever I want to be
My best days are ahead of me Age is nothing but a number
Sometimes I have to wonder
What does it really mean
But hey I'm still putting it together
I keep getting better
If I keep getting better
I can be whatever I want to be
My best days are ahead of me
