

No More Running

Ellis

I want to live undefended
hearts cannot be broken even when they fall apart
but I must not really believe that
cause I still defend myself and right now
either I don?t care enough or I care too much
I?m restless I don?t know why
don?t know how to love how to trust
how to stop a running
when I can?t stand the mess I?m gone
but all that running makes it harder to stay next time
I think whatever road I?m on
will lead to somewhere better but right now
either I don?t care enough or I care too much
I?m restless I don?t know why
don?t know how to love how to trust
how to stop a running
and I don?t know how to do it
how to face the fear and doubt
from the highest mountain
jump in head first to the ground

I?m gunna climb back to this heart of mine
but sleep walking in the day
I?m tired of feeling this way
I?m not giving in
I?m gunna let go of my pride
stop running so that I don?t make the same mistakes
there?s got to be a better way
I will forgive and I will stay
no more running
I?m gunna climb
no more running
I?m gunna Climb
no more running
