Intro

Lil' Mo

(5 Year old Lil' Mo)

I love Jesus
He washed my sins away
And He loves me
I loved the Lord today
I love the Lord to pay

And I'm gonna say it one more time

(20 year old Lil' Mo)

I love the Lord today
I love the Lord
I love the Lord
Today

I was five years old when I first did that
All the adults sitting around
Telling me I'm young to be a singer
Be a superstar
