Higher Power

Boston

Hey, my Higher Power
Yeah, give me the powerLet me love You
Take me home to Your religion for the night
Let me touch You
Teach me how to see Your vision through my eyesTurn the pages
Tell my story, let me face another day
Safe embraces, I feel it comin' now
My captain's on his wayHey, my Higher Power
The world is spinnin', but I'm not afraid
Yeah, give me the power
It's the beginnin', the beginnin' of another dayYeahLet me hold You
Take me back into the secrets of my mind
Let me know You
Come and save me Lord, don't let me cross the lineHey, my Higher Power
The world is spinnin', but I'm not afraid
Yeah, give me the power
It's the beginnin', the beginnin' of another dayGod grant me the serenity
To accept the things I cannot change
Courage to change the things I can
And the wisdom to know the difference
[Incomprehensible]Hey, my Higher Power
The world is spinnin', but I'm not afraid
Yeah, my Higher Power
It's the beginning of another dayHey, my Higher Power
The world is spinnin', but I'm not afraid
Yeah, my Higher Power
It's the beginnin', the beginnin' of another dayHey, my Higher Power
Hey, my Higher Power
Hey, my Higher Power
