I Waited

Stiff Little Fingers

I waited but you never came
So everything stayed the same
Coulda been great
I waitedI was still inspired but obviously out of tune
I must be dumb as shit to think,we could blow
Away these blues
I waited, I waited, I waited but you...never cameI waited, I kept the faith, I was patient in my own way
Thought you would come, thought you would stay
I waited but you never never neverI was still inspired but obviously out of tune
I must be dumb as shit to think,we could blow
Away these blues
I waited, I waited, I waited but you...never cameI waited, I kept the faith, I was patient in my own way
Thought you would come, thought you would stay
It coulda been good it coulda been greatI was hitting the best but obviously out of time
I never though that I would be left behind
I'd be left behind
I waited, I waited, I waited but you...never cameI waited but you never came
So everything stayed the same
Coulda been great
I waitedI waited, I waited, I waited but you...never came
