Cult Of Personality

Living Colour

{And during the few moments that we have left
We want to talk right down to earth
In a language that everybody here can easily understand}
Look in my eyes
What do you see?
The cult of personality
I know your anger, I know your dreams
I've been everything you want to be
Oh, I'm the cult of personality
Like Mussolini and Kennedy
I'm the cult of personality
The cult of personality
The cult of personality
Neon lights, a Nobel prize
When a mirror speaks, the reflection lies
You don't have to follow me
Only you can set me free
I sell the things you need to be
I'm the smiling face on your TV
Oh, I'm the cult of personality
I exploit you, still you love me
I tell you, one and one makes three
Oh, I'm the cult of personality
Like Joseph Stalin and Gandhi
I'm the cult of personality
The cult of personality
The cult of personality
Neon lights, a Nobel prize
When a leader speaks, that leader dies
You won't have to follow me
Only you can set you free
You gave me fortune, you gave me fame
You me power in your God's name
I'm every person you need to be
Oh, I'm the cult of personality
I'm the cult of, I'm the cult of
I'm the cult of, I'm the cult of
I'm the cult of, I'm the cult of
I'm the cult of, I'm the cult of personality

{Ask not what your country can do for you
The only thing we have to fear is, fear itself}
