Stuck In A Closet With Vanna White

"Weird Al" Yankovic

Doctor, every night I have the strangest dreams
Doctor, listen to me, tell me what this means
First I'm goin' shoppin' in my underwear
Then all of sudden I'm floating in mid air
My lips fall off and everybody starts to stare
Donuts and hot dogs are flying everywhereNow Doctor, wait a minute, you ain't heard nothin' yet
Next comes the part that I won't ever forget
Now I'm bein' followed by these Russian spies
They give me some velcro, and an order of fries
Suddenly I'm bowling on the Starship Enterprise
I fall down a hole and that's when I realizeI am stuck in a closet with Vanna White
I'm stuck in a closet with Vanna White
Night after night after night after nightAll right!Doctor, won't you tell me, am I going insane
Was it something I ate or something wrong with my brain
See, I'm naked in church when I meet a dinosaur
Try to run, but my feet have been nailed to the floor
Then a midget pushes me through a revolving door
And I'm back in the very same place I was beforeNow I'm stuck in a closet with Vanna White
I'm stuck in a closet with Vanna White
Night after night after night after nightAnd I can't bust out and I can't break free
And it's gettin' just a little too stuffy here for me
And I can't go home and I can't get loose
And I try to escape but it's just no useAnd I can't ever leave and I can't ever win
And we're runnin' outta air and the walls are closin' in
And I can't go back and I can't get through
But Vanna since you're here, why don't you let me buy a vowel from youCome on Vanna, come on!Ow, buhhhDoctor, all those crazy dreams have started again
That's right, I even wake up screaming now and then
See, I'm coming home from work but I forgot my address
I'm half an hour late for my algebra test
Then some slimy alien jumps out of my chest
And I'm falling and falling and I guess you know the restI am stuck in a closet with Vanna White
I'm stuck in a closet with Vanna White
Night after night after night after nightI am stuck in a closet with Vanna White
Stuck in a closet with Vanna White
N-n-n-night after night after night night nightThen I'm stuck in a closet with Vanna White (ya-ya ya-ya, ya-ya, ya, ya-ya)
I'm stuck in a closet with Vanna White
Night after night after night after nightI am stuck in a closet with Vanna White (ya-ya ya-ya ya-ya ya-ya)

I am stuck in a closet with Vanna White
