

# Somewhere Between I Love You and I'm Leavin'

Cody Jinks

[Verse 1]

I'm somewhere between "I love you" and "I'm leavin'"

Somewhere between "I need you" and lettin' go

And it scares me so when I look hard I find no good reasons

I'm somewhere between "I love you" and "I'm leavin"[Verse 2]

Somewhere between "I miss you" and "I'm gone"

Runnin' hard through the middle of the night, and you spend yours alone

I hold you close then I let you go, no leavin' well-enough alone

I'm somewhere between "I miss you" and "I'm gone"[Chorus]

And the ties that bind, they hold my mind

No matter where I go, I'm alone

Here with you or out there tearin' down some road

Nowhere is home

And you're the only thing on Earth that I believe in

I'm somewhere between "I love you" and "I'm leavin"[Instrumental]

[Chorus]

And the ties that bind, they hold my mind

No matter where I go, I'm alone

Here with you or out there tearin' down some road

Nowhere is home

And you're the only thing on Earth that I believe in

I can stay or I can go and not break even

I'm somewhere between "I love you" and "I'm leavin'"

I'm somewhere between "I love you" and "I'm leavin'"
