

# Text Message

[Jamie Foxx](#)

Advisory - the following lyrics contain explicit language:

I start by saying tell me something good, show me something great (Something great)  
What you doing early, what you doing late? (Doing late)  
Do you think that you could put me in your plans? (In your plans)  
If you invite me over girl, I'll bring the drinks (Bring the drinks)  
Today I'm gon' be free so girl it's up to you (S'up to you)  
And you already know the things I like to do (Like to do)  
I ain't really with the beating 'round the bush ('Round the bush)  
You already know, so let's go, baby Tell me how to get there, send me your address  
Tell me how to get there, already be on the way there  
Started with a text message, ended with sex, yes it's true, I wanna be on you  
Started with a text message, ended with sex, yes it's true, I wanna be on you LOL, smiley face, the emoji with  
the tongue out  
Now I'm kissing you, touching you, freaking you over at your house  
'Cause girl we started on the phone now we face to face (Face to face)  
Started a little slow now pick up the pace (Pick up the pace)  
Everything I told you I was gonna do (Gonna do)  
I did it well except we didn't get the drinks (Get the drinks)  
Your body, I want it until the morning, baby  
I came by for you, I'm a love-aholic Tell me how to get there, send me on your address  
Tell me how to get there, already be on the way there  
Started with a text message, ended with sex, yes it's true, I wanna be on you  
Started with a text message, ended with sex, yes it's true, I wanna be on you LOL smiley face, the emoji with the  
tongue out  
Now I'm kissing you, touching you, freaking you over at your house Started with a text message, ended with  
sex, yes it's true, I wanna be on you  
Started with a text message, ended with sex, yes it's true, I wanna be on you LOL smiley face, the emoji with the  
tongue out  
Now I'm kissing you, touching you, freaking you over at your house
