# Call Me Up

## Charlotte Sometimes

Baby boy, it's you not me
But the apple don't fall far from the tree
And you're a 9 to 5
And nobody gives a 9 to 5 shit
But if you're alone, call me up
Oh and if you're alone, call me up
Oh and if you're alone
Pick up the phone
And call me up, and call me up
Little love, you pay the check
And I turn you down like you'd expect
You're 9 to 5
And nobody gives a 9 to 5 shit
But if you're alone, call me up
And if you're alone, call me up
Oh and if you're alone
Yeah, pick up the phone
Yeah, if you're alone, call me up
Oh and if you're alone, call me up
Oh and if you're alone
Yeah, pick up the phone and call me
Maybe one day you will be
Oh so lucky to have me
But do not overestimate yourself
Maybe one day I will see
You're the only dude for me
But do not overestimate yourself
If you're alone, call me up
Oh and if you're alone, call me up
Oh and if you're alone
Yeah, pick up the phone
Yeah, if you're alone, call me up
Oh and if you're alone, call me up
Oh and if you're alone
Yeah, pick up the phone
And if you're alone, call me up
Oh and if you're alone, call me up
Oh and if you're alone
Yeah, pick up the phone and call me up
