

Rambler, Gambler (Cleve Peterson Recording)

Bob Dylan

Im a Rambler, I'm a Gambler,
I'm a long way from my home
 If the people don't like me
 they can leave me alone
 Come sit down beside me,
 come sit down right here
 Come sit down,
 long as you want to
 Love will always be here
 When we get to Wyoming
 the letter you'll see
 If you get in to trouble
just you write and tell meFor I once had a lover,
 her age was sixteen
 She's the flower of Belton
And the rose of SalineHer parents was against me
 Now she is the same
 If I'm writ on your book, love
 Just you blot out my name
 For theres changes in the ocean
 Theres changes in the sea
 Theres changes in my true love
 There ain't no change in me
