

Security

Otis Redding

I want security, yeah
Without it I had a great loss, oh now
Security, yeah
And I want it at any cost, oh now
Don't want no money, right now, nuh-now, nuh-now, nuh-now
I don't want no fame But security I have all of these things, yeah
All of these things, yeah, now
Security, yeah
That's all I want from you, oh now
Security, yeah
And a little love that will be true, oh Those sweet tender lips you know they tells me that
You're the one for me
Darling, how can I forget?
How can I forget, yeah now? I want security, yeah
I'm telling you, once say again, oh now
Security
And I want it in the end, oh Those sweet tender lips you know they tells me that
You're the one for me
Darling, how can I forget?
How can I forget, yeah now? Alone with just a little bit of soul, right now, baby
Darling, everything is gonna be alright
One more time, just one more time, baby
Don't need, don't need time
Pretty good babe now to
Yeah, yeah, baby, baby
Listen, listen now baby
Com'on, com'on
