Security

Otis Redding

I want security, yeah
Without it I had a great loss, oh now
Security, yeah

And I want it at any cost, oh now

Don't want no money, right now, nuh-now, nuh-now, nuh-now I don't want no fameBut security I have all of these things, yeah

All of these things, yeah, now

Security, yeah

That's all I want from you, oh now Security, yeah

And a little love that will be true, ohThose sweet tender lips you know they tells me that

You're the one for me

Darling, how can I forget? How can I forget, yeah now?I want security, yeah

I'm telling you, once say again, oh now

Security

And I want it in the end, ohThose sweet tender lips you know they tells me that You're the one for me

Darling, how can I forget?

How can I forget, yeah now? Alone with just a little bit of soul, right now, baby

Darling, everything is gonna be alright

One more time, just one more time, baby

Don't need, don't need time Pretty good babe now to Yeah, yeah, baby, baby

Listen, listen now baby

Com'on, com'on
