

# I Don't

## Circle Jerks

I don't smoke, I don't drink  
I don't ever have no fun anymore, you see  
I don't lose any sleep  
Worrying about the state of economy  
'Cause the world is turning slowly, I can't find the time to do anything  
If the rest are sharing something, I am just a lonely minority  
I don't work, I'm a blob  
No, I can't wake up  
And I won't  
I don't cook, I don't clean  
I don't have the energy for the scene  
And I don't got no car  
I don't worry 'bout the price of gasoline  
'Cause the world is turning slowly, I can't find the time to do nothin'  
If the rest are sharing something, I am just a lonely minority  
I don't work, I'm a blob  
No, I can't wake up  
And I won't  
News is coming on (I'm watching Three's Company)  
I can't get no girls (They don't know how to talk to me)  
Get my watch and gun (Been wearing the same clothes for a week)  
Gotta get up early (Set the alarm)  
In the afternoon (The funnies sitting by the TV)  
I'm feeling cool, somebody please  
Turn up the heat
