

Royal Love

Gyptian

If you be my empress
I'll be your king.
Give me a chance i'll be all that you need
Like two love birds, we'll drift away
to an island of love
just you and me I'll be all that you need
Yeah yeah
I'll be all that you need
I'll be all that you need
I'll be all that you need baby Girl you're the one for me
Love your chemistry.
Let me take you to a place where only you and I could be
I just wanna be with you
Love the sexy things you do
One thing is fo' sure
If you be my empress, I'll be your king
Give me a chance
I'll be all that you need
Like two love birds, we'll drift away
to an island of love
Just you and me I'll be all that you need
