

# I'll Remember You

[Jimmy LaFave](#)

I'll remember you  
When I've forgotten all the rest  
    You to me were true  
    You to me were the best  
    When there is no more  
        You cut to the core  
    Quicker than anyone I knew  
        When I'm all alone  
        In the great unknown  
    I'll remember you  
    I'll remember you  
        At the end of the trail  
    I had so much left to do  
    I had so little time to fail  
    There's some people that  
        You don't forget  
Even though you've only seen 'm one time or two  
    When the roses fade  
    And I'm in the shade  
I'll remember you  
Didn't I, didn't I try to love you?  
    Didn't I, didn't I try to care?  
    Didn't I sleep, didn't I weep beside you  
        With the rain blowing in your hair?  
    I'll remember you  
When the wind blows through the piney wood  
    It was you who came right through  
    It was you who understood  
        Though I'd never say  
        That I done it the way  
    That you'd have liked me to  
        In the end  
        My dear sweet friend  
    I'll remember you
