Ghosts (Single Version)

Japan

When the room is quiet
The daylight almost gone
It seems there's something I should know
Well I ought to leave but the rain it never stops
And I've no particular place to goJust when I think I'm winning
When I've broken every door
The ghosts of my life blow wilder than before
Just when I thought I could not be stopped
When my chance came to be king
The ghosts of my life blew wilder than the windWell I'm feeling nervous
Now I find myself alone
The simple life's no longer there
Once I was so sure
Now the doubt inside my mind
Comes and goes but leads nowhereJust when I think I'm winning
When I've broken every door
The ghosts of my life blow wilder than before
Just when I thought I could not be stopped
When my chance came to be king
The ghosts of my life blew wilder than the wind
