

# Ghosts (Single Version)

## Japan

When the room is quiet  
The daylight almost gone  
It seems there's something I should know  
Well I ought to leave but the rain it never stops  
And I've no particular place to goJust when I think I'm winning  
When I've broken every door  
The ghosts of my life blow wilder than before  
Just when I thought I could not be stopped  
When my chance came to be king  
The ghosts of my life blew wilder than the windWell I'm feeling nervous  
Now I find myself alone  
The simple life's no longer there  
Once I was so sure  
Now the doubt inside my mind  
Comes and goes but leads nowhereJust when I think I'm winning  
When I've broken every door  
The ghosts of my life blow wilder than before  
Just when I thought I could not be stopped  
When my chance came to be king  
The ghosts of my life blew wilder than the wind
