Wild Horses

The Sundays

Childhood living is easy to do
The things that you wanted, I bought them for you
Graceless lady, you know who I am
You know I can't let you slide through my handsWild horses couldn't drag me away
Wild horses couldn't drag me awayI watched you suffer a dull, aching pain
And now you decided just to show me the same
No sweeping exit or offstage lines
Can make me feel bitter or treat you unkindWild horses couldn't drag me away
Wild, wild horses couldn't drag me away[Incomprehensible]
Faith has been broken and tears must be cried
Let's do some living after we dieWild horses couldn't drag me away
Wild, wild horses couldn't drag me awayWild, wild horses, we'll ride them someday
Wild, wild horses, we'll ride them someday
