

# Next to You

Kay

You gon' make me lose my mind  
You gon' make me lose my cool  
Tornado tearin' up this heart  
Every time I'm next to you. Broken bottles, broken pieces  
I am lying on the floor  
You can take them where you need them  
Just tell me what you're looking for. I've heard it all before  
You're the one who's opened my eyes  
I can't deny that the stars will shine like a summer night in July  
When I'm next to you... You gon' make me lose my mind  
You gon' make me lose my cool  
Tornado tearin' up this heart  
Every time I'm next to you. Turn it up  
Oh, yeah  
When I'm next you...
