

# Keep on Dancing (Lifting Peaks Remix)

Dcx

We'll keep on  
we'll keep on

They were young  
1960's  
the summer love  
was yet to come  
the boy took a fall  
for her stiletto heels  
didn't matter though  
the band was playing strong

Your first spring break  
marry first graduate  
and always groove on  
get your home estate  
that bachelor party  
it's when we move on

We'll keep on

They got married  
1980's  
little baby girl  
with chocolata eyes  
she used to do hair  
like Michael on MTV  
watching Superstars  
one day she'd be one

Your first spring break  
marry first graduate  
and always groove on  
get your home estate  
that bachelor party  
it's when we move on

We'll keep on dancing
