Until The Sunrise (live)

Timeflies

Its getting late but Im not tired
Theres no place Id rather be
The night is young I feel inspired
I guess well have to wait and see
This night is perfect so dont let it end
Lets make it worth it cause I got a feelin' that
When this is over well do it again
So if you feel it stand up, you could put your hands up
Lets stay up until the sunrise
We can dance the night away
It could be like this forever
Until tomorrow is today
Its getting loud were moving faster
Like the beating of your heart
This could be a sweet disaster
Run with me into the dark, yeah
This night is perfect so dont let it end
Lets make it worth it cause I got a feelin' that
When this is over well do it again
So if you feel it stand up, you could put your hands up
Theres no need for time, cause with you its standing still
Only to make me feel like I do now
Cause we could have it all, till nothing is left to give
Like this is our last chance
Cause thats the only way I live
Is like tomorrows the end and today's the day so you can save the date
And you can live it how you wanna live it
But youre gonna be givin' a whole lot of time just chasin' fate
Everythings gon' be aright, so theres no need to fear
Ima take you from the dark to the light so tonight we gonna live like we the last ones here
Climbed myself from the bottom of the stars to the moon to the clouds now its back to earth
And Im sayin' what I found on the way down when I touched ground is pain dont have to hurt
So baby you could let it go, cause girl were free to run
So we should live tonight and dance until we see the sun
This night is perfect, well do it again, if you feel it stand up, you could put your hands up
This night is perfect so dont let it end
Lets make it worth it cause I got a feelin' that
When this is over well do it again
So if you feel it stand up, you could put your hands up

The whole worldll say
Me and you were gonna stay up until the sunrise
Baby let me hear you say
