Behind The Scenes

Francesca Battistelli

You may think
I'm just fine
How could anything
Ever be out of line?I take my time
To set the stage
Make sure everything
Is all in placeEven though I've got the lines rehearsed
A picture only paints a thousand wordsThings aren't always what they seem
You're only seeing part of me
There's more than you could ever know
Behind the scenes
I'm incomplete and I'm undone
But I suppose like everyone
There's so much more that's going on
Behind the scenesSometimes I can't see
Anything
Through the dark
Surrounding me
And at times I'm unsure
About the ground
Beneath my feet
If it's safe and soundWhen it's hard to find hope in the unseen
I have peace in knowing it will find me, yeahThings aren't always what they seem
You're only seeing part of me
There's more than you could ever know
Behind the scenes
I'm incomplete and I'm undone
But I suppose like everyone
There's so much more that's going on
Behind the scenesThings aren't always what they seem
You're only seeing part of me
There's more than you could ever know
Behind the scenes
I'm incomplete and I'm undone
But I suppose like everyone
There's so much more that's going on
Behind the scenesYou may think
I'm just fine
How could anything

Ever be out of line?
