Fall Out Boy

I'm gonna make it bend and break
(It sent you to me without wings)
Say a prayer, but let the good times roll
In case God doesn't show
(Let the good times roll, let the good times roll) And I want these words to make things right
But it's the wrongs that make the words come to life
Who does he think he is?
If that's the worst you've got better put your fingers back to the keys One night and one more time
Thanks for the memories
Even though they weren't so great
He, tastes like you, but sweeter One night, yeah, and one more time
Thanks for the memories
Thanks for the memories
See, he, tastes like you, but sweeter I'm looking forward to the future
But my eyesight is going bad
And, this, crystal ball It's always cloudy except for, (except for)
When you look into the past, (look into the past)
One night stand
One night stand One night and one more time
Thanks for the memories
Even though they weren't so great
He, tastes like you, sweeter One night yeah, and one more time
Thanks for the memories
Thanks for the memories
See, he, tastes like you only sweeter They say I only think, in the form of
Crunching numbers, in hotel rooms
Collecting page six lovers Get me out of my mind
Gets you out of those clothes
I'm a liner away, from
Getting you into the mood One night and one more time
Thanks for the memories
Even though they weren't so great
He, tastes like you, but sweeter One night yeah, and one more time
Thanks for the memories
Thanks for the memories
See, he, tastes like you but sweeter One night and one more time
(One more night, one more time)
Thanks for the memories
Even though they weren't so great

He, tastes like you, but sweeter One night yeah, and one more time
(One more night, one more time)
Thanks for the memories
Thanks for the memories
See, he, tastes like you, but sweeter
