Groove Dub

10000 Maniacs

Imitate that soured old song
There is no individuality
Only guises
Shades of nonconformity
There is no individuality
Selling vantage points
Low rate
There is no individuality
Questions ancient
No words claimed
Perform motions borrowed

Thoughts following
Ima tima ima tima
Intimidation respected
Head-he-go-round-men
Gesture display
Customer limits appeal
Media dictates the latest role
Totalitarian motions borrowed
Selling vantage points
Low rate for you
Media begged
Suffered numbers pain
