

Something So Strong

Crowded House

Love can make you weep
Can make you run for cover
Roots that spread so deep
Bring life to frozen ground
Something so strong could carry us away
Something so strong could carry us today
Turning in my sleep
Love can leave you cold
The taste of jealousy
Is like a lust for gold
Something so strong could carry us away
Something so strong could carry us today
I've been feeling so much older
Frame me and hang me on the wall
I've seen you fall into the same trap
This thing is happening to us all, yeah
Something so strong could carry us away
Something so strong could carry us today, yeah
Something so strong
Something so strong
Something so strong
Something so, so strong
