Advisory - the following lyrics contain explicit language:

What's your addiction baby? Love can make a bitch go crazy  
Kiss, hug, fuck and then get faded, fall out and it's all out war  
Head twirl and your vision blurry, dopeman in that kitchen stirrin'  
Sold it, we so lit, dope burners, fuck is you so forgetful for?  
Girl you know that you need that raw  
Girl you know that you need Visine  
Preem laced with that cocaÃ-na  
Pop a pill, pop what's in them jeans  
Cop a feel, cop a half sixteen  
Pour a deuce up and then start leanin'  
Tryin' to die higher than Pimp C  
And Big Moe, you know how the shit go (You know how the shit go) I pray to God cause I need him (I need him, I need him)  
Cocaine withdrawals and I'm fiendin' (I'm fiendin', I'm fiendin')  
Life way too hard, am I dreamin'? (I'm dreamin', I'm dreamin')  
Highway to hell and I'm speedin', one way to tell if I'm breathin'  
On three let's jump off the roof, on three let's jump off the roof Baby girl love me, I love ya back just don't turn ya back on me  
Though I'm borderline crazy, mama crack baby, she just come when I sleep  
So just hold my hand all, and don't wanna be apart of your problem, just wanna sleep  
Without my lungs stopping like they used to  
I hate when you lie, I hate the truth too  
Can't wait 'til you die, I hate that we through  
Fuck around and get a man, leave him dead, wastin' with the blame, I ain't playin' with a mufucka  
I was raised at the end of the lead with the surf and the sandal, tan in this mufucka  
Wanna feel how you feel, if it's mine, then it's real, then it's fine baby girl I don't need a rubber  
Nothing wrong in the world with another mother (You know how the shit go) I pray to God cause I need him (I need him, I need him)  
Cocaine withdrawals and I'm fiendin' (I'm fiendin', I'm fiendin')  
Life way too hard, am I dreamin'? (I'm dreamin', I'm dreamin')  
Highway to hell and I'm speedin', one way to tell if I'm breathin'  
On three let's jump off the roof, on three let's jump off the roof If I told you, that I love you, would you care?

If I said I need you would you be right there  
If I told you, that I love you, would you care?  
If I said I need you would you be right there  
Be right there (You know how the shit go) I pray to God cause I need him (I need him, I need him)  
Cocaine withdrawals and I'm fiendin' (I'm fiendin', I'm fiendin')  
Life way too hard, am I dreamin'? (I'm dreamin', I'm dreamin')  
Highway to hell and I'm speedin', one way to tell if I'm breathin'  
On three let's jump off the roof, on three let's jump off the roof
