

# I Want Crazy

Hunter Hayes

I'm booking myself a one way flight  
I gotta see the color in your eyes  
Yeah, telling myself I'm gonna be alright  
Without you baby it's a waste of time Yeah, our first date girl the seasons changed  
It got washed away in a summer rain  
You can't undo a fall like this  
'Cause love don't know what distance is Yeah, I know that's crazy  
But I don't want good and I don't want good enough  
I want can't sleep, can't breathe without your love  
Front porch and one more kiss  
It doesn't make sense to anybody else Who cares if you're all I think about  
I've searched the world and I know now  
It ain't right if you ain't lost your mind I don't want easy  
I want crazy  
you with me baby?  
Let's be crazy Yeah! Well, I wanna be scared  
Don't wanna know why  
Wanna feel good, don't have to be right  
The world makes all kinds of rules for love  
I say you gotta let it do what it does I don't want just another hug and a kiss goodnight  
Catching up calls and a date sometimes  
I love that we're rebels and we still believe  
We're the kind of crazy people wish that they could be I know it's crazy, yeah  
But I don't want good and I don't want good enough  
I want can't sleep, can't breathe without your love  
Front porch and one more kiss  
It doesn't make sense to anybody else Who cares if you're all I think about  
I've searched the world and I know now  
It ain't right if you ain't lost your mind I don't want easy  
I want crazy  
you look at us baby  
tonight the midnight rules are breaking Na, na, na, na, na, na, na, na No!  
I don't want good and I don't want good enough  
I want can't sleep, can't breathe without your love  
Front porch and one more kiss  
It doesn't make sense to anybody else Who cares if you're all I think about  
I've searched the world and I know now  
It ain't right if you ain't lost your mind Yeah, I don't want easy  
I want crazy Yeah, look at us baby

Tonight the midnight rules are breaking  
There's no such thing as wild enough  
Maybe we just think too much  
Who needs to play it safe in love  
Let's be crazy Du, du, du, na, na, na, na, na  
Du, du, du, na, na, na, na, oh yeah Who cares if we're crazy?  
We gotta be crazy  
I know that we're crazy  
let's be crazy Yeah, yeah
