Alison Hell (Randy Rampage)

Annihilator

Alice isn't frightening
Alice aren't you scared
Alice isn't is wonderful
Living life afraidDon't look around the corner
I might be lurking there
Under the bed at night
You're up till dawn againAlison hell, your mind begins to fold
Alison hell, aren't you growing cold
Alison hell, you are looking blue
Alice in hell, what else can you doAliceI begin my rule, life hideous in your mind
Crying out, you've lost your doll
It isn't worth a dimeAlison hell, your mind begins to fold
Alison hell, aren't you growing cold
Alison hell, what are you looking for
Alice in hell, soon I close the doorSitting in the corner, you are naked and alone
No one listened to your fears, you've created meAlice isn't frightening
Alice aren't you scared
I was killed at birth
I shoot this final scene
You're in the basement
You're trapped insanityAlison hell, what were you looking for
Alison hell, as I close the door
Alison hell, here you shall dwell
Alison hell, Alice dwells in hellAliceAlice
