

# Warriors Of The World

## Manowar

Here I see you stand from all around the world  
Waiting in a line to hear the battle cry  
All are gathered here, victory is near  
The sound will fill the hall, bringing power to us all  
We alone are fighting for metal that is true  
We own the right to live the fight, we're here for all of you  
Now swear the blood upon your steel will never dry  
Stand and fight together beneath the battle sky  
Brothers everywhere - raise your hands into the air  
We're warriors, warriors of the world  
Like thunder from the sky - sworn to fight and die  
We're warriors, warriors of the world  
Many stand against us, but they will never win  
We said we would return and here we are again  
To bring them all destruction, suffering and pain  
We are the hammer of the gods, we are thunder, wind and rain.  
There they wait in fear with swords in feeble hands  
With dreams to be a king, first one should be a man  
I call about and charge them all with a life that is a lie  
And in their final hour they shall confess before they die  
If I should fall in battle, my brothers who fight by my side  
Gather my horse and weapons, tell my family how I died  
Until then I will be strong, I will fight for all that is real  
All who stand in my way will die by steel  
Brothers everywhere - raise your hands into the air  
We're warriors, warriors of the world
