

Stand Back (feat. A Boogie wit da Hoodie)

PnB Rock

[Hook: PnB Rock]

Hold up, stepping back yeah
Yeah, I just peeped you tryna steal my swag
I just keep that [?]

Money on my mind, I'm tryna get a bag
Dropped 300 on the whip
I just spend a dub on my bitch
I just spend like 80 on a chain

Blowing like money ain't a thang [Verse 1: PnB Rock]

When you see me I be drippin' Fendi
All these hunnids in my pocket, bitch I'm getting plenty
Ride with us, [?] belly

I ain't a killer but don't push me nigga don't fucking tempt me

Every day another fucking deposit, yeah
I just signed a deal with [?], I'm a fucking designer yeah
Loyalty and [?] death before dishonour, yeah
Real nigga I won't talk put that shit on my momma, yeah
Spend 3 bands on a Montcler yeah

Walked up the store with that Montcler, yeah

And you know that shit was on my back
I'm a fucking hypebeast nigga I don't know how to act

Yeah, they done gave the wrong nigga money
Ever since I got it, I been blowing money
You a broke nigga, you be owing money
At the strip club, we be throwing money
Yeah, I remember I ain't had the shit

Now I'm having shit, I'm living lavish bitch
It's atleast a 400 thousand under my mattress bitch
I be fucking, ducking these hoes, I'm on my savage shit
Pulled up in that big beamer, they thought it was a rental
While I get my dick sucked, [?] massaging me

It's so big in sucking and fucking, have a menage in it

She just like the squad and now all my niggas ridin' it [Hook: PnB Rock & A Boogie Wit Da Hoodie]

Hold up, stepping back yeah
Yeah, I just peeped you tryna steal my swag
Yeah, I just keep that [?]

Money on my mind, I'm tryna get a bag
Dropped 300 on the whip
I just spend a dub on my bitch

I just spend like 80 on a chain
Blowing like money ain't a thang[Verse 2]
I spend 7 thousand on a Balmain jacket
Looking like I got it I can probably fit a shawty in it
Now I gotta go pick up the pocket rocket
Just to get a thotty in a spot, cause I can't trust no bitches
I don't like little bodies in a big ass fucking Bentley
With a spanish mami make her call me papi in it
I'm riding, windows tinted and she give me sloppy in it
And they tryna see who in it, mind your fucking business
Money on mind it's always time to get it, yeah
Got Eliante jewelry so my diamonds glitter, yeah
I know she like the way I rock my [?] and [?], yeah
I got spikes on my foot, so haters can't get near me, yeah[Hook: PnB Rock & A Boogie Wit Da Hoodie]
Hold up, stepping back yeah
Yeah, I just peeped you tryna steal my swag
Yeah, I just keep that [?]
Money on my mind, I'm tryna get a bag
Dropped 300 on the whip
I just spend a dub on my bitch
I just spend like 80 on a chain
Blowing like money ain't a thangHold up, stepping back yeah
Yeah, I just peeped you tryna steal my swag
Yeah, I just keep that [?]
Money on my mind, I'm tryna get a bag
Dropped 300 on the whip
I just spend a dub on my bitch
I just spend like 80 on a chain
Blowing like money ain't a thang
