

# What She Came For (Tigerstyle Remix)

## Franz Ferdinand

I got a question for you  
I got a question for you  
Where did you get  
Your name from?  
Where did you get  
Your name from?  
I got a question for you  
Where do you see yourself  
In five minutes time? With a laugh like that  
Or a look like that  
You make us all feel gauche  
Like it's a sweaty joke but  
With a laugh like that  
And a look like that  
You make us all just go  
Whoa Look out  
You're what she came for  
You're what she came for  
No question, no doubt  
You're what she came for  
Knows what she came for  
No question, no doubt I got a question for you  
Another question for you  
Oh do you feel the  
Do you feel the pressure  
Why you're wearing  
What you're wearing  
Where will your life be gone  
In five minutes time? So say something stupid  
You know that you love to Look out  
You're what she came for  
You're what she came for  
No question, no doubt  
You're what she came for  
You're what she came for  
No question, no doubt Whoa! You're what she came for  
You're what she came for You're what she came for [Repeat: x3]
